1. On 11/04/2019 at approximately 1:42 P.M., I (Sergeant Rick Elizondo) and Chief Spain of the Garza County Sheriff's Office initiated at traffic stop on a Blue 2000 Ford Focus bearing WA LP # BJG6073 for a traffic violation I observed in the 100 Block of North Broadway here in Post, Garza County, Texas. Upon completion of the investigation, (1) White Male was placed under arrest for possession of narcotics and unlawfully carrying weapons. The White Male was transported to the Garza County Jail and released to Jail Staff for book in processing.

2. On 11/04/2019 at approximately 1:42 P.M., I observed a blue in color passenger car appearing to be traveling faster than the posted speed limit of 35 Miles Per Hour. Using my in-car doppler radar, I visually and audibly observed the blue passenger vehicle to be traveling 42 Miles Per Hour in a 35 Mile Per Hour Zone.

3. I turned around and initiated a traffic stop by activating my emergency red and blue lights. The vehicle was identified to be a Blue 2000 Ford Focus bearing WA LP # BJG6073 which made a full and complete stop in the parking lot of Holly's located at 615 South Broadway.

4. I made contact with the driver identified to be (Cole, Kaleb James DOB: 10-13-1995, ~~WA DL# 007728000~~) and the passenger was identified by Chief Spain as (Bruce-Umbaugh, Aidan DOB: 03-13-1996, ~~WA DL# 000010000~~).

5. I identified myself to Mr. Cole and requested his driver's license and proof of insurance. After receiving a paper copied driver's license from Mr. Cole, I informed him the reason for the contact. While I was obtaining said information from the driver, I observed there to be a large knife in the middle console. I asked both occupants if there were any other weapons inside the vehicle besides the knife I had observed and Mr. Bruce advised that they had rifles in the back.

6. Chief Spain obtained both Driver's Licenses and went to my patrol unit while I spoke with both individuals. Chief Spain could be heard over radio traffic requesting Dispatch to conduct a standard driver's license/ warrant check on both individuals. Both individuals advised they were coming from Washington heading to Houston.

7. While Chief Spain was speaking with Dispatch, I asked both individuals why they were heading to Houston and I received different answers at the same time from Mr. Cole and Mr. Bruce. Mr. Cole appeared to have stated, "I don't know" and Mr. Bruce stated, "We just got some friends in the area we wanted to visit." I then asked if they had anything illegal in the vehicle such as marijuana or other narcotics and both denied possessing anything illegal.

8. I then asked if they were going to go do some shooting while they were in Houston and Mr. Bruce stated, "At some point." Mr. Cole stated, "At some, well yeah." Mr. Cole appeared to be repeating the answers that Mr. Bruce was answering to my questions. I also observed that when I would ask a question, Mr. Cole would look in the direction of Mr. Bruce as if he was waiting for Mr. Bruce to answer the question.

9. I asked both occupants how long they were planning to stay in Houston and again I received different answers at the same time. Mr. Cole stated, "It's kind of up in the air" and Mr. Bruce stated, "A couple of weeks."

10. At this time, I approached Chief Spain who informed me that Dispatch informed him that they received a Caution Hit on the vehicle's registration stating possible terrorist organization and to contact the Federal Bureau of Investigations.

11. Due to my knowledge of knives and rifles inside the vehicle and the actions of the driver appearing nervous, both occupants were requested out of the vehicle. Mr. Cole was requested to stand in front of my patrol unit where I conducted a weapon's pat down of Mr. Cole's outer clothing in which nothing was located. I did locate a black skull bandana in the left pant leg of Mr. Cole. When asked if he wears it as a mask Mr. Cole stated, "Yeah, It was to keep warm."

12. At this time, I reiterated Mr. Cole's answer about not possessing anything illegal inside the vehicle in which he stated, "No, and I don't consent to any searches." At this time, a K-9 Officer was contacted by Chief Spain.

13. I asked Mr. Cole for the name of his friend that they were going to see and he explained that he rather not tell me that information. I then went and spoke to Mr. Bruce. I asked Mr. Bruce for the name of the friend they were going to see and he stated, "Cameron." I then asked Mr. Bruce if all the weapons belonged to him and he stated, "Yes, they are all mine."

14. A short time later, Post ISD K-9 Officer Dean arrived on scene along with his K-9 partner "Zara" and conducted an open-air sniff of the vehicle. K-9 Officer Dean informed deputies that "Zara" indicated a positive alert on the vehicle for possible narcotics. Mr. Cole and Mr. Bruce were placed into handcuffs at this time and informed they were not under arrest just being detained in the handcuffs for officer safety. They were then informed that the K-9 indicated a positive alert for possible narcotics and that a probable cause vehicle search will be conducted.

15. Prior to conducting the probable cause vehicle search, I asked Mr. Bruce what property inside the vehicle belonged to him and he advised he had a backpack and a couple of bags. I asked Mr. Bruce if there was anything illegal in the bags and he stated, "I have some pot." Mr. Bruce also claimed to be in possession of about 2 grams Tetrahydrocannabinol "THC" oils.

16. At this time, Deputy Johnson who was on scene to assist and I conducted a probable cause vehicle search. Deputy Johnson located a Black 9mm Sig Sauer P320 Pistol S/N 58A132944 underneath the passenger seat with a full loaded magazine next to it. Deputy Johnson then located a White plastic container containing a green leafy substance suspected to be marijuana in the floor board area of the front passenger seat.

17. Deputy Johnson then located a green in color backpack that Mr. Bruce took possession of. Inside the backpack, I observed Deputy Johnson take out (8) total "THC" vape cartridges. (2) of the "THC" vape cartridges appeared to be new and full of "THC" concentrate. Deputy Johnson took pictures of the located items. Deputy Johnson also located a plastic clear wrapper containing an assortment of different pills inside the green backpack. The pills located were identified to be (8) Trazodone Hydrochloride which are White in color, circular, and have the imprint of 8 05. 14 orange circular pills were identified to be Clonidine Hydrochloride. 4 green and white pills were identified to be Hydroxyzine Pamoate. The pills were taken and later placed into an evidence bag.

18. Located in the trunk area of the vehicle, deputies located 2 Black AK style rifles and 1 AR Style rifle that was disassembled. 1 rifle was identified to be a Waffen Works S/N WW 02566. The 2nd rifle was an Arsenal 7.62X39 Cal. S/N XK 54 2699. The 3rd rifle was disassembled and was told by Mr. Bruce that he built it himself. The Black rifle was an Aero Precision with S/N X039182. The stock was a Shockwave Blade Pistol Stabilizer.

19. Also located in the trunk area of the vehicle were numerous rounds of ammo located in ammo totes, and miscellaneous bags. The ammo ranged from 9mm, 5.56X45, 7.62X39, 5.45X39, and 12-gauge shotgun shells. Several magazines were also located throughout totes, handbags, and magazine holsters. A total of (6) 9mm fully loaded magazines were located, (2) 45.Cal fully loaded magazines, (8) 7.62X39 magazines were located with 5 of them being fully loaded. (8) 5.56X45 magazines were located with 6 of them being fully loaded. (1) 5.56X45 50 round magazine was located but was empty. Also located in the vehicle was an unopened brown metal container containing ammo.

20. At this time, all the weapons were placed in Deputy Johnson's patrol unit along with a green plastic ammo container and black duffle bag with various ammo. The drug evidence and a brown metal ammo container were placed into the trunk of my patrol unit. The rifles were taken as safe keeping as they belonged to Mr. Bruce and the Sig Sauer Pistol will be placed into evidence.

21. Mr. Bruce was informed that he was is now being placed under arrest for the marijuana and "THC" items as well as unlawfully carrying of weapons.

22. Mr. Cole was issued citation # 016954 for speeding and released from the scene.

23. Mr. Bruce was placed into the back seat of my patrol unit and seat belted in for his safety. Mr. Bruce was then transported to the Garza County Jail and released to jail staff for book in processing. Prior to entering the Jail Facility, Mr. Bruce was asked if he had anything on or in his person that I should be aware of before entering the facility. Mr. Bruce advised that he may still be in possession of a "THC" vape cartridge. Due to Mr. Bruce informing me of the possibility of a "THC" cartridge on his person prior to entering the facility he would not be getting an extra charge. Officer Bradshaw with the Garza County Jail escorted Mr. Bruce into a holding cell in which Mr. Bruce was able to locate the cartridge inside of his pants. The "THC" cartridge was later examined and observed to be empty. The "THC" cartridge will be placed into a separated evidence bag.

24. While at the Garza County Sheriff's Office, the suspected (2) full "THC" cartridges were weighed using a digital scale and sowed to have an aggregate weight of 29.73 grams. The green leafy marijuana was tested using a marijuana field test kit and showed to have a positive reaction for marijuana. The marijuana was then weighed in its container and showed to have an aggregate weight of 1.42 ounces.

25. The marijuana and empty "THC" vape cartridges will be placed into an evidence bag and placed into the evidence room until further notice. The (2) full "THC" vape cartridges will be placed into evidence bags and will be sent to NMS Labs for further analysis. The weapons and ammo will be also placed into evidence until further notice.
